

CORONELLI’S UNIVERSE

Idea Dell’ Universo.

Author
CORONELLI, Vincenzo

Publication date
[c.1690].

Publisher

Publication place
Venice,

Physical description

Dimensions

Notes
Decorative celestial encyclopedic chart showing the whole knowledge of the end of the century, featuring stars, planets, zodiac signs etc. Engraved in the typical flamboyant Coronell’s style. A very good example, with just some light stains; from “Atlante Veneto”.

Bibliography
Livingstone, David &, Withers, Charles, Geography and Enlightenment, Illumination and Enlightenment in Coronelli and Kircher, Denise Cosgrove.
