Notes

A beautifully coloured map of the North and East Ridings of Yorkshire with inset maps of the cities of Hull and Richmond.

John Speed (1552-1629) was the outstanding cartographer of his age. His 'Theatre of Great Britain'

was the first atlas of the British Isles: Speed prepared the maps himself about two years before they were published. His maps and books dominated the seventeenth-century English market. The present map is taken from the 1627 English edition published by George Humble.
