Engraved folding map, original hand colour, housed within marbled slipcase, pasted label on top.

DELAROCHETTE’S GERMANY EMPIRE

Map of the Empire of Germany, including all the states comprehended under that name with the Kingdom of Prussia.

Author
DELAROCHETTE, Louis

Publication date
1782

Publisher
Robert Sayer,

Publication place
London,

Physical description
Engraved folding map, original hand colour, housed within marbled slipcase, pasted label on top.

Dimensions
1035 by 1230mm. (40.75 by 48.5 inches).

Notes
Produced on the eve of the industrial and French revolutions, the map represents the German Empire nearly a century before Otto von Bismarck’s unification of the country. It is part of Kitchin’s General Atlas.
