

Engraved folding map, original hand colour, housed within marbled slipcase, pasted label on top.

DELAROCLETTE'S GERMANY EMPIRE

Map of the Empire of Germany, including all the states comprehended under that name with the Kingdom of Prussia.

Author

DELAROCLETTE, Louis

Publication date

1782

Publisher

Robert Sayer,

Publication place

London,

Physical description

Engraved folding map, original hand colour, housed within marbled slipcase, pasted label on top.

Dimensions

1035 by 1230mm. (40.75 by 48.5 inches).

Notes

Produced on the eve of the industrial and French revolutions, the map represents the German Empire nearly a century before Otto von Bismarck's unification of the country. It is part of Kitchin's General Atlas.
