

Large lithographic pictorial wall map, some tears to folds and even browning throughout.

DIAKOFF'S PICTORIAL WALL MAP OF CHINA

Map of China

Author
DIAKOFF, John A.

Publication date
1931

Publisher
The Northern Trading Company and Mr V.F. Yao-Hsuin,

Publication place
Harbin,

Physical description
Large lithographic pictorial wall map, some tears to folds and even browning throughout.

Dimensions
1536 by 2044mm. (60.5 by 80.5 inches).

Notes
A splendidly illustrated pictorial map of China.

The map was compiled by John A. Diakoff and drawn by G. Primakoff. It covers the whole of China from Kashgar and Yarken to Korea and Japan, and from Mongolia to Nepal. Several vignettes illustrate a diversity of plants, animals, cultures, architecture, and resources. The text annotations

are both in English and Chinese.

John Diakoff was the ‘Scientific Collaborator of the former Russian Orientalist’s Society’, which was a Russian group based in Harbin, China.
