

Engraved map.

LONDON

Die Koningliche Residens Statt London in England

Author
[Anonymous]

Publication date
[c.1660].

Publisher
[unknown],

Publication place
[Germany],

Physical description
Engraved map.

Dimensions
220 by 360mm. (8.75 by 14.25 inches).

Notes
A view of London on the Thames. The title is flanked by the arms of England and the City of London. There is a numbered key to the principal buildings underneath. It shows the old St Paul’s Cathedral, and London Bridge before the buildings on it were demolished.
