Flandriae Recens Exactaq, Descriptio.

Author

[MERCATOR, Gerard]

Publication date

1555

Publisher

Michaelis Tramezini,

Publication place

Venice,

Physical description

Engraved map, backed on japan paper and remargined.

Dimensions

390 by 530mm (15.25 by 20.75 inches).

Notes

Single-sheet derivative of Gerard Mercator's rare wall-map of Flanders on four sheets, published circa 1540. Tramezini's map is the first derivative of this very influential map. Mercator's original, one of the earliest productions of this great cartographer, is known in only one example.
