
Engraved plan, fine original full wash colour.

ROCQUE'S RARE PLAN OF GIBRALTAR

Plan of the Peninsula and part of the Isthmus of Gibraltar. Inscribed to John Putland Esqr. by his most humble Servant Jon. Rocque 1758.

Author
ROCQUE, John

Publication date
1758.

Publisher
John Rocque,]

Publication place
[London,

Physical description
Engraved plan, fine original full wash colour.

Dimensions
270 by 710mm (10.75 by 28 inches).

Notes
First state of Rocque's rare and detailed plan of Gilbraltar.

A key below the plan lists of the most prominent defences and fortifications, together with the position of the Spanish batteries during the siege of 1727.

Rare we are only able to trace two institutional examples: in the British Library and the Bibliotheque Nationale de France.

Scale: 700 feet to one inch.
