Physical description
Large engraved map, dissected and mounted on linen, fine original full-wash colour, south east view of Lichfield cathedral, edged in green silk.

Dimensions
1370 by 990mm (54 by 39 inches).

Notes
Uncommon. A fine example in full original wash colour. There is a view of Lichfield Cathedral at the lower right. A table of explanation towards the bottom left outlines a wealth of topographical detail,

including ichnographic representations of the principal towns, villages, churches, gentleman’s seats, commons, heaths and hills, parish and other boundaries, canals, wind and water-mills, roads, lanes, toll-bars and rivers.
