Physical description
Large lithograph map dissected and mounted on linen in twelve sections, folding into original brown cloth boards.

Dimensions
970 by 690mm. (38.25 by 27.25 inches).

Notes
The map details Singapore’s downtown business district from Mount Victoria to the mouth of the Rochor River. The inset maps shows the docks and wharves of Telok Blanga and Keppel Road.

The wealth of information includes affluent names of homes and families, parks, main buildings,

docks, cinemas, rail stations, cemeteries.

Very scarce. We were only able to locate two institutional examples, one held at Cornell University and the other at the National Library Board of Singapore.

Scale: 10 inches to 1 mile.
